02/14/2016 09:47am	For environmental reasons, it would be good to have salad bowls instead of boxes. Boxes are good for when we're on the go, so perhaps we should have a choice, or have a similar system as with the reusable Fitz coffee cups in the cafe	Bowls are available. If they have run out please ask a member of staff for more.
02/15/2016 10:05am	The crinkle cut chips last week were really good, can we have more of them please!	These will appear from time to time
02/17/2016 03:07am	the other person was right, the wrapping up at fitz and chips is unnecessary and makes the queue even longer	Please see previous answer
