

## **Ben Bristow, Charities Officer**

### **Manifesto**

- To send out a termly survey to find out what charities people want our JCR to get involved with.
- To run film nights to raise awareness about the charities we're raising money for.
- To talk with the Ents team about using events to support charities.
- Keep people informed about opportunities to get involved with charities in Cambridge and at home, in term and out of term.
- To help support those at Fitz that who want to raise money for a cause but don't have the resources to do so.
