Manifesto.

- Embed a spirit of charity within the wider Fitz community by increasing the ease in which students can participate.
- Facilitate greater communication with local community actors to tailor our fundraising events to specific needs of the area.
- Run events specifically on alleviating issues exacerbated by the Covid- 19 crisis, e.g. food and housing insecurity
- Increase engagement with pre-existing charitable students societies.
- Adapt our proposed schemes to the ever changing Covid regulations.
- Online Raffles and Competitive events.
- Extend the foodbank scheme to include a fortnightly block by block collection.
- Promote charitable and green aims within wider JCR run events.
- Facilitate greater student participation in selection of charities in which we engage with in order to give students a sense of agency and make charitable work within the college more meaningful
