

## **JCR Exec Meeting 17/01/16**

### **Apologies**

Apologies: Hana

Unapologetic Absences: Viktor

### **Finalisation of budget proposals:**

Budget was over last year. So we have decided to take it down whilst at the same time being realistic about what we can reduce.

**Actions to be taken:** Have a look at budget and see if there is anything you could cut down.

### **Meeting with bursar:**

It was decided that Fenella would ask about freezers in the corridors. For example, in A, there is definitely space to have them.

Also the costs for renting rooms for non-Fitz societies and perks for the JCR, such as free coffee will be discussed.

### **Housing ballot:**

It has been proposed that the coming ballot should be done in groups. It was also proposed that a separate housing ballot occurred before the corridor ballot. This will make this period more organised and also less stressful.
