

Bike Loaning Proposal

Background

The porters recently carried out a cull of unregistered, unwanted bikes around college.

There are currently 4 bikes chained up on Wychfield lane that are in good condition for use and that do not belong to anyone.

Proposal

These 4 bikes be kept permanently at Wychfield lane for a loan scheme.

- Students who needed a bike could go the porters lodge to borrow one of the bikes
- They would have to fill out a form (attached) and leave a depository item (debit card, ID)
- There would be a condition for losing/damaging the bike/bike lock/lock key
- The bike should be returned by the end of the day, latest return 11:59pm
- There could be a charge for late return of the bike
